09 July 2012

Dear Cameron,

As Directors of Inkspot Franchising Pty Ltd, we collectively want to thank you for your ongoing efforts as our Franchisee Recruitment Officer. When we first engaged your services in early 2010, Inkspot was a relatively unknown brand with two company owned stores and one franchise. Today, Inkspot is a thriving and rapidly expanding franchise system consisting of 12 franchisees, 7 of which you have successfully recruited for us.

Your professionalism, attention to detail, ongoing communication and willingness to understand our business is a credit to you. The way in which you present our brand and the relevant information to potential franchisees is first class and your ability to convert enquiries into closed sales is way ahead of other franchisee recruitment professionals we have dealt with in the past.

We look forward to our successful relationship continuing into the future and would not hesitate to recommend your services to other Franchisors or business owners.

Yours faithfully,

Vincent Teubler
